# AeroChamber *Plus* Flow-Vu<sup>®</sup>

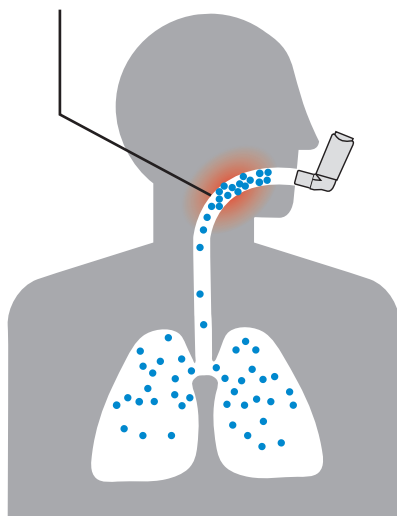

Anti-Static Valved Holding Chamber

## Ensure your inhaler medicine is delivered to your lungs<sup>1</sup>

The *only* chamber with a dedicated Inhalation Indicator, that moves as you inhale and helps provide visual assurance of correct use and medication delivery.<sup>2</sup>

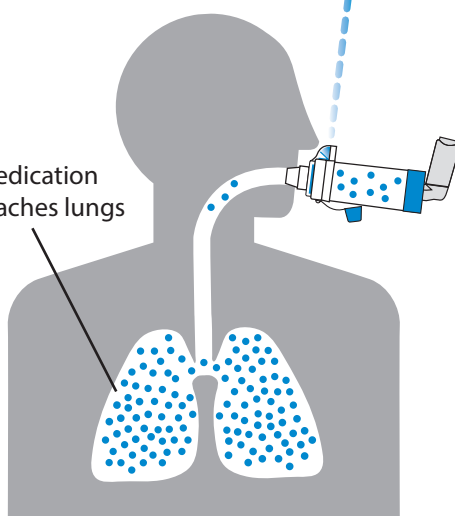

More medication collects in mouth and throat causing potential for side effects

Inhaler alone

Medication reaches lungs

Inhaler with **AeroChamber Plus<sup>\*</sup>**
